The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light-- Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amorah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Amorah Quan Yin (1950-2013) was a natural healer and psychic since birth, and as a child was gifted with clairvoyance and clairaudience. A personal health crisis in later years led her to a path of holistic living, spiritual awakening, and sharing her gifts with others. Amorah was well known and respected as a healer, seer, and teacher based in Mt. Shasta, California.
