---

Seinfeld. For more than 33 million viewers, the Emmy Award-winning television show has become a Thursday night ritual. Even though the show has ended, Jerry Seinfeld's distinct brand of humor can still be yours.

In his #1 New York Times bestselling book, *SeinLanguage*, Jerry Seinfeld has captured on the page his views on topics ranging from Raisinettes to relationships, from childhood to cop shows, and from parents to power suits. This must-have book for all fans--and who isn't a fan?--remains available in both paperback and hardcover.

*Seinlanguage* could easily be subtitled *The World According to Jerry*. First published in 1993, when *Seinfeld* the sitcom was establishing itself as the funniest half-hour on television, this is a collection of Jerry's musings on everything from relationships to shushing in movie theatres. Observational comedy may have reached epidemic proportions recently, but Jerry Seinfeld was, and is, the master of his domain.

"I will never understand why they cook on TV. I can't smell it. Can't eat it. Can't taste it. The end of the show they hold it up to the camera, 'Well, here it is. You can't have any. Thanks for watching. Goodbye.'"

Eons hence, scholars may ponder the mysteries of this book in the same way that they now ponder the fragments of Heraclitus. Until then, *Seinlanguage* will continue to provide guaranteed chuckles in a neat and tidy package. Kind of like Jerry himself. --Simon Leake  
Jerry Seinfeld whose distinct observations about life have become the essence of the top-rated and critically acclaimed *Seinfeld* television series, brings to his book the hilarious perspectives and classical material that have become a Thursday night viewing ritual for millions of Americans. Captured on book page are everything from Jerry's view on topics ranging from Raisinettes to relationships, from childhood to cop shows, from parents to power suits.
