What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women!

Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives.

A True Woman Book

The goal of the True Woman publishing line is to encourage women to:

- >> Discover, embrace, and delight in God's divine design and mission for their lives
- >> Reflect the beauty and heart of Jesus Christ to their world
- >> Intentionally pass the baton of Truth on to the next generation
- >> Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

God's design for true womanhood is nothing less than spectacular.

Whether it's designer handbags, fashions, frames, or décor, women tend to gravitate toward designer brands because they're the highest quality. They're often the most attractive and beautiful. They're true to the designer's exquisite specifications.

Did you know that God has a divine, spectacular design for true womanhood? If you're tired of the world's cheap imitations and knock-offs-or if you're tired of clichéd advice, shallow caricatures, and cookie-cutter solutions-then this Bible study is for you.

With foundational teaching and insights straight from God's Word, True Woman 101 teaches women the details of God's design for womanhood and the joy that comes with embracing it. In 40 lessons over 8 weeks, complete with online videos and discussion questions, you can take big steps toward realizing your full potential in God.

Thousands are tossing the world's brand of womanhood and joining a quiet counter-revolution. Find out why. Grab some girlfriends, dig into the heart of true manhood and womanhood, and discover the beauty, joy, and fulfillment of being exactly who He created you to be. Best of all, learn how your life can put Christ and the gospel on display! MARY KASSIAN is an award winning author, internationally renowned speaker, and a

distinguished professor at Southern Baptist Seminary. She has published several books and Bible studies, including *The Feminist Mistake*.
