The New York Times #1 best-selling series.

Like its predecessors, Library of Souls blends thrilling fantasy with never-before-published vintage photography to create a one-of-a-kind reading experience.

A boy with extraordinary powers. An army of deadly monsters. An epic battle for the future of peculiardom.

The adventure that began with Miss Peregrine's Home for Peculiar Children and continued in Hollow City comes to a thrilling conclusion with Library of Souls. As the story opens, sixteen-year-old Jacob discovers a powerful new ability, and soon he's diving through history to rescue his peculiar companions from a heavily guarded fortress. Accompanying Jacob on his journey are Emma Bloom, a girl with fire at her fingertips, and Addison MacHenry, a dog with a nose for sniffing out lost children.

They'll travel from modern-day London to the labyrinthine alleys of Devil's Acre, the most wretched slum in all of Victorian England. It's a place where the fate of peculiar children everywhere will be decided once and for all.

An Amazon Best Book of September 2015:

When we last saw Jacob and his peculiar companions in Hollow City they were in the kind of danger that left me chewing my fingernails waiting for the next book to see if they make it out alive. The Library of Souls did indeed pull me off the previous cliff, but if you know Ransom Riggs and the Miss Peregrine's Peculiar Children series, you know there is more where that came from. As we've come to expect, the third book in the series has an abundance of strange and absorbing black and white photographs that came from all sorts of places yet look as though they were created just for this particular piece of the puzzle—at this point, the photos provide an undercurrent as critical to the overall flow of the story as the words themselves. I don't want to spoil the read so I won't tell you (as much as I'd like to...) about reversals and time loops, evil doers and acts of heroism that make up this tantalizing novel, but let me just say that I found the whole thing, from beginning to end, to be every bit as mysterious, surprising, and gratifying as I'd hoped it would be. --Seira Wilson

Ransom Riggs is the author of Miss Peregrine's Home for Peculiar Children (Quirk, 2011), a New York Times best seller, as well as its best-selling sequels Hollow City (Quirk, 2013) and Library of Souls (Quirk, 2015). He lives in Santa Monica, CA, with his wife.

Other Books

La bibliothèque des âmes, Dans le Londres d'aujourd'hui, Jacob Portman et Emma Bloom se lancent à la recherche de leurs amis enlevés par les Estres. Ils retrouvent leur trace grâce au flair aiguisé d'Addison, l'illustre chien particulier doué de parole. Bientôt, au bord de la Tamise, ils font la connaissance de Sharon, un géant bourru qui, moyennant une pièce d'or, propose de leur faire traverser le fleuve. Ils rejoignent ainsi l'Arpent du Diable, une boucle temporelle à la réputation effroyable où séjournent les particuliers les moins recommandables, où pirates et malfaiteurs commettent leurs forfaits en toute impunité. Jacob et Emma ne se sont pas trompés : l'ennemi a bien établi son QG dans l'Arpent, derrière les murs d'une forteresse imprenable...
