Legendary actor Val Kilmer shares the stories behind his most beloved roles, reminisces about his star-studded career and love life, and reveals the truth behind his recent health struggles in a remarkably candid autobiography.

Val Kilmer has played so many iconic roles over his nearly four-decade film career. A table-dancing Cold War agent in *Top Secret!* A troublemaking science prodigy in *Real Genius*. A brash fighter pilot in *Top Gun*. A swashbuckling knight in *Willow*. A lovelorn bank robber in *Heat*. A charming master of disguise in *The Saint*. A wise-cracking gumshoe in *Kiss Kiss Bang Bang*. Of course, *Batman*, *Jim Morrison*, and the sharp-shooting *Doc Holliday*.

But who is the real Val Kilmer? In this memoir—published ahead of next summer's highly anticipated sequel *Top Gun: Maverick*, in which Kilmer returns to the big screen as Tom "Iceman" Kazansky—the actor steps out of character and reveals his true self.

Kilmer reflects on his acclaimed career, recounts his high-profile romances, chronicles his spiritual journey and reveals details of his recent throat cancer diagnosis and recovery—about which he has disclosed little until now. While containing plenty of tantalizing celebrity anecdotes, *I'm Your Huckleberry*—taken from the famous line Kilmer delivers as Holliday in *Tombstone*—is ultimately a deeply moving reflection on mortality and the mysteries of life. Val Kilmer is an American actor known for his roles in *Top Secret!*, *Top Gun*, *Real Genius*, *Willow*, *The Doors*, *True Romance*, *Tombstone*, *Batman Forever*, *Heat*, *The Saint*, *Kiss Kiss Bang Bang*, and more. A graduate of Juilliard's drama department, he has appeared on Broadway and London's West End. He has published two books of poetry and received a Grammy nomination for Best Spoken Word Album. He is also an accomplished visual artist, with work exhibited in galleries worldwide.
