Other Books

Felicity, "A breezy, inviting collection of love poems that celebrates the divine as much as it does the natural world or human relationships . . . An eloquent celebration of simple joy from one of America's most beloved poets." –The Washington Post "Oliver's poems are thoroughly convincing—as genuine, moving, and implausible as the first caressing breeze of spring." –New York Times Book Review Mary Oliver, winner of the Pulitzer Prize, celebrates love in this collection of poems "If I have any secret stash of poems, anywhere, it might be about love, not anger," Mary Oliver once said in an interview. Finally, in her stunning new collection, Felicity, we can immerse ourselves in Oliver's love poems. Here, great happiness abounds. Our most delicate chronicler of physical landscape, Oliver has described her work as loving the world. With Felicity she examines what it means to love another person. She opens our eyes again to the territory within our own hearts; to the wild and to the quiet. In these poems, she describes—with joy—the strangeness and wonder of human connection. As in *Blue Horses*, *Dog Songs*, and *A Thousand Mornings*, with Felicity Oliver honors love, life, and beauty.
