THE VOICE OF GOD IS A HEARTBEAT AWAY In *Fearfully and Wonderfully Made*, Philip Yancey and Dr. Paul Brand revealed how God's voice is encoded in the very structure of our bodies. *In His Image* takes up where its predecessor left off, beckoning us once again inward and onward to fresh exploration and discovery. Yancey and Brand show how accurately and intricately the human body portrays the Body of Christ. In five sections---Image, Blood, Head, Spirit, and Pain---the acclaimed surgeon and the award-winning writer unlock the remarkable, living lessons contained in our physical makeup. This Gold Medallion Award-winning book will open your eyes to the complex miracle of the human body, and the even more compelling spiritual truths that it reflects.

In this remarkable sequel to *Fearfully and Wonderfully Made*, Philip Yancey and Dr. Paul Brand capture the exciting discovery that the Creator continues to dwell in and among his people. *In His Image* looks more closely at this mystery with a second biological exploration into that most marvelous of miracles, the human body. "The authors have succeeded in a difficult task and have produced an unusual medical, biologic, and spiritual work. A great appreciation of the human body, life, and belief in God fills this book." --Joseph E. Murray, M.D., Nobel Laureate, *The New England Journal of Medicine* Philip Yancey has a knack for tackling the tough questions--for articulating the knotty issues of faith, the nitty-gritty realities of being Christian. These five Gold Medallion Award-winning books are vintage Yancey, exploring topics common to us all

The quality of our relationship with God is what will influence the health, potency, and witness of the church in an increasingly complex and hostile world. Designed for use as a college or seminary course, *Conformed to His Image* helps us build our lives on a fully biblical perspective.
