In this 50th anniversary edition, join Flat Stanley and the rest of the Lambchop family on the adventure that started it all!

Kids love Flat Stanley—even reluctant readers. And for parents and teachers, each Flat Stanley book delivers multicultural adventure, plot and character development story elements, and compare and contrast.

When Stanley Lambchop wakes up one morning, his brother, Arthur, is yelling. A bulletin board fell on Stanley during the night, and now he is only half an inch thick! Amazing things begin happening to him. Stanley gets rolled up, mailed, and flown like a kite. He even gets to help catch two dangerous art thieves. He may be flat, but he's a hero.

"With lots of pictures and goofy situations, this is a short, delightful story that young readers have loved for generations." (Brightly.com)

Poor Stanley. He's a perfectly normal boy until one morning he wakes up flat. After his parents peel the incriminating bulletin board off of him, Stanley must adjust to life as a pancake. He is a boy who takes this kind of thing in stride, though, and soon he's enjoying the advantages of squashedness. Sliding under closed doors is fun, and it's gratifying to be of use to his mother when she drops her ring through a narrow metal grating. Expensive plane fare to California? No problem. Svelte Stanley folds comfortably into a brown paper envelope. There's even room left over in there for an egg-salad sandwich. But Stanley's true moment of glory comes when a gang of thieves begins stealing paintings from the Famous Museum of Art. The case seems hopeless--until our two-dimensional hero saves the day. Here is one boy who doesn't let his profile-challenged body stop him from living life fully--that is, until his brother finds a way to help him become well rounded again. Jeff Brown's matter-of-fact tone and Tomi Ungerer's witty and engaging drawings tickle the funny bone, making this 1964 classic a perennial favorite. (Ages 4 to 8) --Emilie Coulter  
A flat boy can do almost anything!

Stanley Lambchop is an ordinary boy. At least he was, until the night his bulletin board fell off the wall and flattened him. All of a sudden, Stanley can slide under doors, mail himself across the country in an envelope, and fly like a kite!

But flatness has its serious side, too. Sneak thieves have been stealing paintings from the Famous Museum of Art, and Stanley knows he's the only one who can stop them. Will the robbers discover Stanley's plan before he foils theirs?
