We live in a world filled with sexual imagery and seduction. These influences seek to assault us at every turn. The enemy has created this battlefield in order to corrupt our minds. But whether you're married or single, young or old, man or woman, this book will unlock the keys to how you can have "a mind set free" from the temptation that surrounds us every day. Jimmy Evans exposes such things as "The Secret of Satan's Success." He'll teach you about "The Promise and Process of Biblical Meditation" and discuss "The Four Pillars of Moral Integrity." As you employ the truths from this 115-page mini-book, you'll be equipped to fight and win as you "Enter the Battlefield". PRAISE FOR A MIND SET FREE: IN A DAY OF EXTREME EMPHASIS ON SEXUALITY AND SENSITIVITY, I rejoice when the concern of a gifted minister brings to the forefront the importance of purity. Jimmy Evans has approached this issue with compassion and a sincere desire to help set at liberty those who have been entangled in the web of distraction and deceit. I thank God for every attempt to help set captives free from all areas of bondage - but especially the bondage of sex, which has widespread negative effects. My earnest prayer is that God will bless the insights and help given in this book. JAMES ROBISON, President, LIFE Outreach International Fort Worth, Texas

Other Books

Living with the Mind of Christ - eBook [ePub]. This is the 11th year for a thematic Lenten study offering. This study will include 7 sessions, one for each Sunday in Lent, including Easter Sunday. Each session features a scripture reference, a personal reading and questions for personal reflection or group discussion; suggestions for ways to deepen the Lenten journey or a focus for the coming week may also be included. This particular study is based on Philippians 2:1-11 ("Let the same mind be in you that was in Christ Jesus..."). The goal is to discover what it might look like for us, in very practical ways, to live with the mind of Christ.

☞ ☞ ☞ ☞ ☞ . Conditioned by the mind - set of the world around us, we expect dead things to stay dead. ... expect the sick to be healed, the hungry to be fed, the lame to walk, the blind to see, the lost to be found, and the prisoners to be set free ."
