This practical guide to hearing God's voice shows how an ordinary man who committed to hearing God and obeying Him, became the founder of the largest interdenominational missions organization in the world.

Loren Cunningham's dream began with a vision -- waves of young people moving out across the continents announcing the Good News of Jesus Christ to the whole earth. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the Gospel to this generation.

How did God move Loren's dream from vision to reality? He led Loren and his wife, Darlene, through a series of tough lessons in guidance. The exciting story of Youth With A Mission has much to teach us about the art of listening to God as we seek to be used by Him. Is That Really You, God? is not only a practical guide to hearing God's voice but also an amazing testimony to how following His direction can impact our lives and our world for the glory of God's kingdom.

Loren Cunningham is the founder of Youth With A Mission and the author of several other books. Loren speaks and teaches internationally.
