Living Beyond Your Dream-World. Wasting a dream is like wasting a life, and a life without a dream is a hopeless one. We don't dream to attract attention or recognition; to be applauded by families and well-wishers. We do dream because our lives are dependent on it. 'Real dreamers' never quit, even when it seems like giving up. They are aware of the fact that the dreams they possess are tried and tested. They comprehend that without the hurdles, these dreams fail to survive the test of time. No man prays for his dreams to be opposed; but the fact still remains: It's inevitable. 'Literal dreamers' only imagine and assume. They paint the magnified pictures of their lives but never strive to make them happen. 'Real dreamers' never deal with assumptions; they believe and act. One thing is to dream, and another, to act on it to make it a reality. It's biblically written that faith without work is dead. A dream without an effort hits the rock. So therefore, keep your aspirations alive with the right nutrients. As long as you can breath, your 'dreams' can breathe also. «Living Beyond Your Dream World» is a book which will energize your body, soul and spirit to be part of the 'Dream Census'; thus, making the dream alive.
