The story of Creation and Adam and Eve in the Garden of Eden are familiar Bible stories. But they also present a wonderful opportunity to share important biblical truths with eagerly questioning minds through answers that even the youngest believer can understand. Look inside to learn:

- >> How did God create everything from nothing?
- >> Why was the first person that God created a boy?
- >> Why did God have Adam name the animals?
- >> The serpent talked to Eve, so why can't snakes talk today?

Children are never short of questions - and now there are answers to some of their most difficult ones regarding the Bible and faith! The Answers Book for Kids series is a unique collection from Ken Ham and the creative team at Answers in Genesis. These answers will help you to impart a Biblical Worldview to Elementary aged students in your Church or Homeschool. This is the 1st book of a 6 volume set.

Ken Ham is the president/CEO and founder of Answers in Genesis - U.S. and the highly acclaimed Creation Museum. Ken Ham is one of the most in-demand Christian speakers in North America. Ken's emphasis is on the relevance and authority of the book of Genesis and how compromise on Genesis has opened a dangerous door regarding how the culture and church view biblical authority. His Australian accent, keen sense of humor, captivating stories, and exceptional PowerPoint illustrations have made him one of North America's most effective Christian communicators.
