Kenyon had a relationship with God that transcends time. He was an author in tune with the Spirit of God. He doesn't give the reader a lot of fluff or opinion but instead he backs up every statement with the Word of God. This book is deep and yet very understandable, it is modern and yet a classic. This book will unveil to you the cross in all its glory and open the veil of the Holiest of Holies unto you. Read it slowly... because this book unveils great understanding of who Jesus is and what he still doing for the believer. He is our Great High Priest!

This thrilling book is an unveiling of the unveiling Pauline Revelation, and shows what God did in Christ from the incarnation until He sat down at the right hand of the Majesty on High. Long hidden truths are revealed which will thrill and astound you. The church has never fully understood the spiritual significance of what happened when Christ died on the cross, was buried and rose again on the third day. All that the average Christian has seen is the physical suffering of Christ. Few realize the deep truths that are given us in the Pauline Revelation. Until God revealed these truths to Paul, no one understood why Christ came... why the death on the cross was necessary... no one knew what happened during those three days that his physical body lay in the tomb before the resurrection. Even the disciples, who had walked with Jesus, did not fully realize who He was, why He came, what He was to suffer and what they were to gain by His suffering. They did not know what happened on the cross, or during the three days and nights before His resurrection, but we must know of these three days, for this is the thing that will build faith into us. These vital truths must be known by every child of God if he or she is to live an overcoming life.

Dr. E. W. Kenyon (1867-1948) was born in Saratoga County, New York. At age nineteen, he preached his first sermon. He pastored several churches in New England and founded the Bethel Bible Institute in Spencer, Massachusetts. (The school later became the Providence Bible Institute when it was relocated to Providence, Rhode Island.) Kenyon served as an evangelist for over twenty years. In 1931, he became a pioneer in Christian radio on the Pacific Coast with his show Kenyon's Church of the Air, where he earned the moniker "The Faith Builder." He also began the New Covenant Baptist Church in Seattle. In addition to his pastoral and radio ministries, Kenyon wrote extensively.

The Wonder of the Cross, When considering and confronting the problem of evil, we may be asking the wrong question: Why is there evil in the world if God is good and powerful? It may be wrong because it smuggles in an unbiblical premise: God can and should use his coercive power to relieve suffering since he is both good and able. But what if coercive power does not work to accomplish God's goals? This book is an investigation into the possibility that the noncoercive power of the Cross must be at the center of this issue, and that the Cross could reform this question. We could ask, instead, How is God destroying evil and suffering--and why is he taking so long? The answer to this reframed question might be: He is using evil and suffering to destroy evil and suffering for His People; this is how long it takes. While not a "solution" to the problem of evil, could this help us learn to delight in God in a world in which evil and suffering seem at times so relentless?
