No longer the stuff of broomsticks, black cats and cauldrons, witchcraft is all about self-care in a modern and often confusing world. This is the perfect book for all women looking to channel their inner power, make positive changes in their lives, cleanse, heal, and embrace a little more spirituality. Semra will teach readers how to make bespoke spells, construct an altar, create manifestations, moon rituals, gratitude meditations, and more. Blend some oils to increase your luck, use a candle manifestation to break a hex and get over past lovers, or make a special blend of tea to stay calm.

Featuring information on crystals, tarot, herbs, oils and much more, this is a book on cosmic assistance that is accessible for everyone. When you are happy and positive on the inside, it makes you glow on the outside, and Everyday Magic will help you do just that.

Semra Haksever was a fashion stylist for over a decade before becoming a bohemian entrepreneur and starting Mama Moon, a bespoke collection of magical scented candles and potions. She has practised reiki, crystal therapy and moon rituals for over 20 years, and has always held the desire to create ritualistic tools that are accessible to all. This is her first book.
