In this coming-of-age tale witness the experiences and adventures that transform a simple country boy into the world's greatest hero. Told through the course of four seasons in the Man of Steel's adolescent life, it illustrates that it is the person, not the powers, that makes Superman a hero.

The catalyst for the "Smallville" television program, SUPERMAN FOR ALL SEASONS is emotional and insightful, humanizing the alien from another planet so that he is not only realistic but also relatable. It also features in-depth characterizations of Lana Lang, Lex Luthor, Lois Lane and the Kents.

This volume collects Superman For All Seasons #1-4.

Jeph Loeb and Tim Sale have found a truly original approach to tell a legendary story. This book is a milestone in the Superman canon." -Miles Millar and Alfred Gough Creators and Executive Producers of Smallville
