spine chilling, collectible, present as a gift, mystery

Why read Carrie? Stephen King himself has said that he finds his early work "raw," and Brian De Palma's movie was so successful that we feel as if we have read the novel even if we never have. The simple answer is that this is a very scary story, one that works as well, if not better, on the page as it does on the screen. Carrie White, bullied by cruel teenagers at school and her religious nut of a mother at home, gradually discovers that she has telekinetic powers, powers that will eventually be turned on her tormentors. King has a way of getting under the skin of his readers by creating an utterly believable world that throbs with menace before finally exploding. He builds the tension in this early work by piecing together extracts from newspaper reports, journals, and scientific papers, as well as more traditional first- and third-person narrative in order to reveal what lurks beneath the surface of Chamberlain, Maine. **News item from the Westover (ME) weekly Enterprise, August 19, 1966: "Rain of Stones Reported: It was reliably reported by several persons that a rain of stones fell from a clear blue sky on Carlin Street in the town of Chamberlain on August 17th."** Although the supernatural pyrotechnics are handled with King's customary aplomb, it is the carefully drawn portrait of the little horrors of small towns, high schools, and adolescent sexuality that give this novel its power and assures its place in the King canon. --Simon LeakeEl escalofriante caso de una joven en apariencia insignificante que se transform en un ser de poderes anormales, sembrando el terror en su ciudad. Con pulo m gico para mantener la tensi n a lo largo de todo el libro, Stephen King narra la atormentada adolescencia de Carrie, y nos envuelve en una atm sfera sobrecogedora cuando la muchacha realiza una serie de descubrimientos hasta llegar al terrible momento de la venganza. esta novela fue llevada al cina y obtuvo un imenso xito de p blico y de cr tica. From the Trade Paperback edition.
