A gripping new investigation for the inimitable Detective Inspector Jack Frost.

The discovery of the bodies of two young girls leaves D.I. Jack Frost in a race to hunt down the killer before he, or she, can strike again. At the same time, he faces a crisis at Denton police station which could result in his being sacked.

Jack Frost, brought to magnificent life by David Jason in the TV series, staggers from crisis to crisis, his bumbling modus operandus disguising his extraordinary powers of detection. From the Hardcover edition.

On a rainy night in Denton, Detective Inspector Jack Frost is called to the site of a macabre discovery in the woods - that of a human foot. Meanwhile a multiple rapist is on the loose, the local supermarket reports poisoned stock, and a man claims to have cut up his wife into little pieces yet can't recall where he hid them. But it is when two young girls are reported missing in quick succession that the Denton crime wave reaches terrifying heights.

As the exhausted Frost staggers from case to case, pressured from all sides and haunted by memories of his wife, something nasty arrives at the station in the form of Detective Chief Inspector Skinner. The scheming, slippery Skinner clearly has his eye on the Superintendent's office, but his first job is to manipulate the transfer of the unorthodox DI Jack Frost to another division. Will Frost find the missing girls before his new nemesis forces him away from Denton once and for all?
