They're rebels, scoundrels, and blackguards--dark, dashing men on the wrong side of the law. But for the women who love them, a hint of danger only makes the heart beat faster...

A scandalous proposal...

Christopher Argent lives in the shadows as the empire's most elite assassin. Emotion is something he tossed away years ago, making him one of the most clear-eyed, cold-hearted, wealthiest, and therefore untouchable men in London. But when his latest target turns out to be London's own darling, Millicent LeCour, Christopher's whole world is turned upside down. Overwhelmed by her stunning combination of seduction and innocence, Christopher cannot complete the mission. She has made him feel again. Now, he will do anything to save her life, even if it means risking his own...

A perilous passion...

When Millie learns what Christopher was hired to do, she is torn between the fear in her heart and the fire in her soul. Putting herself in this notorious hunter's arms may be her only path to safety--even if doing so could be the deadliest mistake she's ever made. But how can she resist him? As the heat between her and Christopher burns out of control, danger lurks in the shadows. Is their desire worth the risk? Only the enemy knows what fate has in store...

"Captured me from page one and never let go. Romantic, lush, and suspenseful."-Suzanne Enoch on *The Highwayman*

Byrne is an accomplished storyteller who instinctively knows how to grab readers and hold them spellbound. From the first page, the depth of emotion and sexual tension is perfectly matched by strong characters and superb plotting. (RT Book Reviews on *The Highwayman*)

Kerrigan has done many things to pay the bills, from law enforcement to belly dance instructor. Now she's finally able to have the career she'd decided upon at thirteen when she announced to her very skeptical family that she was going to "grow up to be a romance novelist." Whether she's writing about Celtic Druids, Victorian bad boys, or brash Irish FBI Agents, Kerrigan uses her borderline-obsessive passion for history, her extensive Celtic ancestry, and her love of Shakespeare in almost every story.

Her first novel with St. Martin's Press, *THE HIGHWAYMAN*, is available now and will be followed by *THE HUNTER* in February of 2016.

She lives at the base of the Rocky Mountains with her handsome husband and three lovely teenage girls, but dreams of settling on the Pacific Coast.
