The epic made simple. The miracle in the mundane.

One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything.

He fell in love.

Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work-poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

Tyler Knott Gregson is a poet, author, professional photographer, and artist who lives in the mountains of Helena, Montana. When he is not writing, he operates his photography company, Treehouse Photography, with his talented partner, Sarah Linden. "A collection of poems that evoke consistent inspiration and lasting resonance."

-Literary Inklings

"Your heart will be stoked."

-Christina Perri, singer/songwriter

"Gregson is clearly a romantic... His words slip past the defenses of even the most bitter, with boarded-up hearts and cynical minds, reminding readers why we love, yearn for connection, and bare our souls."

-The Hiding Spot

"Like many people I know, I fell in love with Tyler Knott Gregson's poetry via Instagram. Maybe it's the allure of his Typewriter Series (awesome poems and quotes typed on vintage-looking parchment paper) or the fact that he posts just about every day so people always have something to see, but in the end I think it's his raw talent for striking the chords of emotion within us that keep us coming back"

-The Blonde Vegan

"His Haikus inspire in their simplicity because it has become rare to find beauty in the mundane. His poems are capturing in their tone and in the way he utilizes his words. His photography is simply breathtaking, to say the least."

-The Society Cynic

"There are writers and poets who just get it. Then, there are writers and poets who are so on point, you have no choice but to feel like maybe they've been reading your diary. If you're an avid Tumblr user, or just a fan of knowing you're not alone, you might be familiar with the work of Tyler Knott Gregson. Not only is Gregson a well-versed poet (pun intended) but he's also an incredible artist, photographer and has a big heart for charity."

-Buzznet

"With over 30,000 Facebook fans and more than 100,000 Tumblr followers, Gregson has definitely hit a nerve with his short-yet-poignant pieces. In an age of goofy Vine videos, memes and Instagram dinner-plate photos, poetry seems an unlikely addition to the community of web shares and posts. Gregson's poetry, though, isn't about flashy design or snappy humor. To read the comments on his blog and Facebook pages, it's plain to see that his words genuinely resonate with his fans."

-Elsewhere NYC

"I LOVE THIS! I follow Tyler Knott Gregson on Twitter and Tumblr. He's amazingly talented!"

-Feeding My Addiction Book Reviews

"His poetry always catches me a bit off-guard and makes me reflect - which is why I like it so much. If you need a dose of romantic and moving poetry in your life, I highly recommend you follow this guy."

-Eryn Faye

"I read page after page, and I hope you take the time to do the same. That way we all can tell our children, as they reads his words from their textbooks, that we were among the lucky ones who first happened upon Tyler Knott Gregson not long after his tumblr days. This man. Him and his words are remarkable. I would tip my figurative hat to you, sir, but even that seems to small of a gesture to express myself."

-Just Another Silly Dreamer

"Forget having a guy quote me Shakespeare or Neruda, find me a guy who can quote Gregson. He'd have me hook, line, and sinker."

-Belle of the Library

"Gregson's Chasers of the Light is a beautiful little book that will make you feel something."

-Pretty In Fiction

"...gorgeous from cover to cover."

-Savvy Verse & Wit

-Girls Writes Reviews

"I wanted to kiss the book and place it somewhere, not just toss it into a ready to pass on pile."

-Maria's Space

"This is hands down, no doubt about it, the most beautifully written piece of work I've read this year."

-The Paige-Turner
