To celebrate its 20th anniversary, Scholastic is re-releasing the ten original Magic School Bus titles in paperback. With updated scientific information, the bestselling science series ever is back!

On a most sense-sational trip that takes them through an eye, an ear, a tongue, and even a dog's nose, Ms. Frizzle's class learns about the senses. Using their trademark sense of humor, Joanna Cole and Bruce Degen provide facts about the senses in both the human and animal worlds.

Joanna Cole and Bruce Degen, the author and illustrator of the Magic School Bus books, have collaborated for twenty years, bringing humor and true kidlike curiosity to science and learning. Booklist heralded Ms. Frizzle as "the wackiest, wisest teacher in picture books."

Two MSB titles have been named School Library Journal Best Books of the Year, and they have won countless state book awards, from New York to Nebraska. Grade 2-5? When Ms. Frizzle drives away from school before receiving an important message, Mr. Wilde, the new assistant principal, hops behind the wheel of the Magic School Bus to catch her. The class jumps aboard, too, knowing full well that only the Friz can handle the bus. When Mr. Wilde flips a mysterious switch, the vehicle shrinks and lands in a police officer's eye, then a child's ear, a dog's nose, and, finally, Ms. Frizzle's mouth as she eats pizza with her mother ("We'd been chewed out by teachers before, but this was ridiculous"). The format is comfortably familiar with text boxes and dialogue balloons complementing the story. Degen's illustrations are just as exciting and exacting as usual. Another fun, fact-filled adventure in the series. ?Christine A. Moesch, Buffalo & Erie County Public Library, NY
