Extraordinary medical benefits are available to those who follow the Bible's teachings. The authors deal with stress, sex, anger, circumcision, tobacco, and more.

After thousands of years, medical science rediscovers a startling prescription for full and healthy living: the Bible! That shouldn't come as a surprise. God told the Israelites, "If you listen carefully to the voice of the LORD your God and do what is right in his eyes, if you pay attention to his commands and keep all his decrees, I will not bring on you any of the diseases I brought on the Egyptians, for I am the LORD, who heals you" (Exodus 15:26).

None of These Diseases, read by author Dr. David E. Stern, shows you how to apply our Creator's guidelines to your modern lifestyle. Drs. McMillen and Stern's medical expertise, biblical background, and touch of humor have made the book None of These Diseases a classic, with more than one million copies sold. Now completely revised and updated for a new generation, None of These Diseases shows how to obtain extraordinary medical benefits by heeding the Word of God. S. I. McMillen, M.D., a graduate of University of Pennsylvania Medical School and the London School of Tropical Medicine, was a medical missionary in Africa for many years before he established a medical practice in New York. David E. Stern, M.D., is a graduate of Jefferson Medical College in Philadelphia.
