---

With a refreshing new design and fully updated information, the Everything You Need to Know About...series is a first-rate homework reference guide for 4th- 5th- and 6th-graders and their parents!

The newly revised and updated Everything You Need to Know About series provide kids and parents with a quick refresher to 4th through 6th grade curriculum topics. The organization and scope of these concise homework-help guides make them an essential reference resource.

Researched according to middle-grade curriculum and current textbooks, and created in conjunction with subject experts, these titles answer kids' most frequently asked homework questions.

In AMERICAN HISTORY, students will find everything from accounts of the first Americans to the 21st Century.

Grade 4-6-As their titles indicate, these books are written specifically to help children complete their homework assignments. Therefore, they are best used as circulating materials and not as reference books. None of the material is presented in-depth and the books aren't meant to be used for reports, but in terms of answering specific questions, introducing concepts, or providing simple explanations they are competently done. All three volumes have thorough tables of contents that are easy to use; large print size and lots of white space; numerous charts, maps, and graphs; and color-coded sound bites of information. Each page has a handy sidebar that indicates what can be found and thus provides a shortcut for someone leafing through in search of an answer. The indexes are also complete. American History is enriched with colorful graphics and archival photos. Answers to the most commonly asked homework questions abound, and they are easily accessible and clearly stated.
