For Once in My Life, 'What an engaging story! I laughed out loud... Couldn't put it down! You need to read this.' Goodreads reviewer, 5 stars Twenty-nine-year-old Lily Buckley planned to be happily married and in her dream job by now. Instead she's been single since being left at the altar three years ago, and works at her local paper, writing about giant vegetables at the village fete and a dog who looks exactly like Chewbacca. Not quite what she was dreaming of. So when Lily's given the opportunity to write her own column it's exactly what she's always wanted - except what she has to write about. She has to do one thing every week that scares her. With encouragement from sexy colleague - and adrenalin-junkie - Christopher, Lily agrees. From sky-diving to haunted houses, Lily is going to be pushed to her limit. And since heartbreak has left her afraid of falling in love again, her growing feelings for Christopher might just push her past it... But then her mum has a crisis, her column is the only thing keeping her - and her colleagues' - jobs afloat, and Christopher's ex arrives with her sights set on a romantic reunion. Suddenly jumping out of a plane is the least of Lily's problems... Can she save her family, her friends, and her heart - or will Lily let her fears hold her back? An uplifting, feel-good story about friendship, romance, and finding the hero inside yourself. Fans of Marian Keyes, Mhairi McFarlane and Sophie Kinsella will love Colleen Coleman!
