The book that inspired the blockbuster film, *The Passion of the Christ*. Faithful to the Biblical account of the Passion, it fills in many hitherto unknown details. Edifying, inspiring, surprising, and heart-rending, Emmerich's descriptions of our Lord's Passion will melt a heart of stone. This book is the best on the Passion we have seen. It also wonderfully portrays the Blessed Mother's role in our redemption. Includes a short biography of Sr. Emmerich. A great book for the whole family! Impr. 404 pgs, PB.

Anne Catherine Emmerich was born to poor parents at Westphalia, Germany in 1774. When she was twenty-eight years old she became an Augustinian nun at Dulmen, and apparently began to experience ecstasies as a result of spiritual favors. She received the Stigmata in 1813, confined to her bed, and reportedly convinced a vicar-general, Overberg, and three physicians of her sanctity. She later reported that she had seen visions of Christ and the souls in purgatory as a child, as well as a circular core with three sections representing the Trinity. She is the author of *The Dolorous Passion of Our Lord Jesus Christ*, *The Life of the Blessed Virgin Mary*, *Life of Jesus Christ and Biblical Revelations*, and *The Bitter Passion and the Life of Mary*.

Anne Emmerich died on February 9, 1824 and was beatified by Pope John Paul II in 2004.

#### Other Books

*The Immortal Truth*, *The Akashic records*, also known as the *Book of God's Remembrance*, contain accounts of everything we have ever thought, said, or done. We will all read these records after we die, and we will all be judged by what lies within. In rare cases, individuals glimpse the Records while they are still alive, and share what they have learned from them. *The Immortal Truth* is the first book that includes all of the revelations of the Records in one work -- across party lines, one might say. With narratives of visions from Saint Anne Catherine Emmerich and Edgar Cayce, and Life Readings from the Religious Research Foundation of America, Inc., there is an abundance of material to intrigue the spiritual seeker in you.

“ . . . It was Ann Catherine's above vision of the birth of Jesus that made me want to read in greater detail the death and resurrection . . . So I read *The Dolorous Passion of Our Lord Jesus Christ*, from the visions of Anne Catherine Emmerich . . . ”
