ABOUT THE AUTHOR Isabel De Clercq (1968) was born and raised in a town in East Flanders and now lives in Antwerp. As a child, every Saturday she would pay a visit to the local library, where she fell in love with language. Isabel is the author of the management book Social Technologies in Business and the short story compilation Gekruild. In your hands lies her third book. Isabel is a lover of Hybrid Work because it brings all her favourite topics together. Lifelong learning through asynchronous knowledge sharing, productivity through focus and technology, digital language and engaged self-consciousness. It's all there.
